Regular. Can bring it on. After all, after ten years. You gotta go all in, after all, hope and love are all — it's love.

Secret. Keep it going. In the morning, let's and let's not. Well, after ten years, it's all in — it's love.

That about it. Can say: at get enough. Love and love again. Want to try everything, please everything, sleep with whom she wants — when she wants.
